Can't attend the sale in person? - BID ONLINE!!

We are excited about being able to broadcast the sale via high-speed internet. Pre-registered bidders from around the world will be able to watch from home, follow the action live, and buy online. If you have dial-up internet, you will be able to watch the sale on your computer, but because of the slower connection, the delay does not allow time to keep up with the bidding. Prospective buyers need to **pre-register before AUGUST 28th** at **www.dvauction.com**.
 There will be a \$25 pay per view and a 3% fee added to the buyer's premium to the purchase of each horse bought **online or by phone**. Successful bids are required to be wired to our bank on Monday morning following the auction.

PITZER RANCH SALE GUIDELINES

Please read and familiarize yourself with these 2 pages

Pitzer Ranch, its associates and the auctioneers' function is to bring the buyer and seller together.

All responsibilities and guarantees lie between the buyer and seller.

All buyers must pre-register in the sale office.

Bank name, Address and Drivers License will be required to obtain a Buyer's Number.

EXAMINE HORSES PRIOR TO PURCHASING
(be sure to attend the previews, look your choices over, and ask any questions you may have)

1. Persons planning to purchase horses in this sale for the first time should present letters of credit from their banks if personal checks are used in payment. Anyone with account problems with Pitzer Ranch in the past will be required to pay for their horses with cash.
2. There is no implied warranty made by auctioneer or sale company as to the merchantability or fitness for a particular purpose of any animal in the sale.
3. The highest bidder is to be the buyer. If any dispute arises between or among two or more bidders, sole authority to settle the dispute as he sees fit is reserved by the auctioneer and the decisions shall be final. Seller reserves the right to waive the sale of his horse before it leaves the ring. The auctioneer reserves the right to reject any or all bids.
4. The Sales Management is not responsible for the integrity of any specific bid and the seller understands and assumes all responsibility for any bid that is made and not thereafter honored. In the event any bid is not honored, the seller agrees not to hold the Sales Management responsible and agrees not to sue the Sales Management therefore.
5. All horses are offered for sale according to the laws of the State of Nebraska and the right to bid is reserved for all sellers at the sale unless otherwise announced.
6. Effort has been made to insure correctness of this catalog and, in most cases, information quoted concerning the horses is taken from the official AQHA records. However, employees and auctioneers will not assume responsibility for errors or omissions, but appreciate having them called to their attention. Announcements in the ring take precedence over printed information. **Pay close attention to the announcements.**
7. The seller is the responsible party for all representations or warranties, expressed or implied concerning the condition of any horse and buyers should satisfy themselves concerning the condition of any horse they purchase. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Pitzer Ranch Sales to include but not limited to the following: 1. Title of the animal, free from all adverse claims to ownership, use or possession. 2. The animal is sound of eyes and wind. 3. The animal is not a cribber or wind sucker. 4. The animal does not or has not been nerved, or have a hard bone condition causing lameness that makes the horse lame during the two weeks before the checks go out to the consignors. 5. The sex or condition as a gelding or ridgeling is as described in the sale catalog or announced at the time of sale. 6. Any animal which, at the time of sale is described as a stud or colt and does not at such time have two testes descended to the scrotum must be announced. Warranty with respect to descended testes does not apply to any horse sold prior to Jan. 1 of his yearling year. 7. The horse does not possess the defect commonly known as parrot mouth. If any conditions are announced, the consignor is held harmless for the condition.
8. All guarantees are made by the owner. Make sure to call ahead with questions, take advantage of the previews and pre-inspect horses prior to purchasing as title passes as horse leaves the ring. Right of recourse must be directly to the owner of the horse.
9. All horses have been Coggins tested and found negative within six months of the sale date unless announced differently. Coggins papers given to buyers after horses are paid for.
10. In the event a dispute should arise as to a particular defect which should have been, but was not announced as described above, the buyer has the right to have a veterinarian examine the horse he has purchased to determine if the horse suffers from the defect. This examination is to be made and Pitzer Ranch is to be notified before the checks are mailed. If the purchaser's veterinarian determines the horse to have alleged defect, the Sales Management, as agent, shall appoint a veterinarian of its choice to determine if the horse has the defect(s) and if the defect was present at the time of sale. His or her decision will be final. If Pitzer's veterinarian determines that the defect was present at the time of the sale and it was not announced, the sale of said horse shall be null and void and the consignor must pay entry fee and commission. If the horse is determined by the Sales Management veterinarian not to have the alleged defect, the sale of said horse is valid and enforceable and purchaser assumes all costs of examination, treatment, and sale purchase price. In settling disputes, the decision by Pitzer Ranch is final.
11. If the buyer rightfully rejects the animal in the manner stated in #10, the animal will be returned by the buyer to the consignor and the full purchase price of the animal will be refunded.
12. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as is and without return privileges, unless otherwise specified.
13. Sale of a horse is completed by the auctioneer and title passes when the horse leaves the sale ring. When a buyer settles in the sales office to clear paperwork and receive loadout slips, make sure the name, address, phone and AQHA information is filled out exactly as registration papers are to be transferred or office cannot be responsible for errors that may occur in transfer of ownership.
14. Title to and risk of loss passes to the buyer when the animal is knocked off as sold by the auctioneer. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer. Effective from the time of purchase, the buyer assumes responsibility for the maintenance and care of the animal. The buyer and sale attendees further agree to hold the consignor and Pitzer Ranch harmless from all loss, cost and expense arising from illness, injury or death of such animal, or loss or damage to property, and injury or death of persons, caused by themselves, their agents or employees, or by the animal, subsequent to the time of purchase.

No horse will leave until final settlement has been made.

15. Buyers and spectators are cautioned to be careful while on the grounds, particularly while horses are being shown or sold in the sale ring. All persons attending the sale do so at their own risk. According to the laws of the State of Nebraska, neither the owners nor any other person connected with this sale assume any liability, legal or otherwise, for accidents to persons or property, before, during, or after the sale.
16. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose their receipts. Buyers must make arrangements for care of stock until it can be removed. Buyer will need to use the "pink slip" to be released to load. Do not remove hip numbers from horses once they are applied. Buyer releases will be checked against hip numbers and no horse will be released without a legible hip number.
17. Driver's license will be required to obtain a buyer's number. Payment terms for this sale are cash. Payment in full must be made to the cashier immediately after the sale. All payments shall be U.S. Currency. Method of payment shall be Cash, Cashier's Check, Traveler's Checks, or approved bank check which has been verified and approved in advance by cashier and/or officers of Pitzer Ranch. All payments must be made to Pitzer Ranch. Any payment made by the buyer to the consignor or any other party will not be regarded as valid or entitle the buyer to delivery of the animal.
 No Re-Deposits: Anyone issuing us an insufficient fund check for a horse will run the risk of having their name printed in our mailing of 10,000 catalogs and flyers. The size of a NSF horse payment check classifies as a felony and it will be turned over to the District Attorney for immediate prosecution. All past buyers who have passed a "returned check" to the Pitzer Ranch will be required to pre-pay for their purchases or pay in cash.
18. All registration papers will be withheld until funds clear the bank. 14 days from the date of the sale the registration papers, along with transfer certificates, will be mailed directly to AQHA for transfer of ownership to the new buyer. Checks for payment will be mailed to the sellers on that same date. Disputes and returns between buyer and seller need to be completed by that date.
19. Buyers will pay the AQHA \$40.00 transfer fee. All buyers will be charged the current rate of sales tax on any purchase, unless a tax number is given and the proper form is filled out at the office. You will be asked for your current AQHA membership number. Persons not having a current membership can either purchase one directly from AQHA or buy one at the time of payment for purchases.
20. Any horse not consigned to the sale and found on the grounds will be assessed a \$200 fee and will go through the auction at the end of the sale. A release for this horse will not be issued until these terms are met. No horse will be let out the gate without a hip number and release issued through the office.

TWO EYED JACK

**The Leading Sire of AQHA Champions
In the entire Quarter Horse Industry**

TWO EYED JACK is the leading sire of the Quarter Horse breed. Of the 1416 foals sired by "Jack," nearly 40% were shown. One in every 3.7 earned points. He is the #1 Leading Sire of 119 Open AQHA Champions and his record will probably never be broken. The second leading sire was POCO PINE with 37.

TWO EYED JACKS have proven themselves as the most versatile line in the breed. His get have earned over 37,000 AQHA Points. They were earned 52% in performance and 48% in halter classes. Disposition was one of the major factors in the success of his get. It was such that they would do anything that the rider was capable of. From the novice to the pro, everyone can get along with a "Jack."

Even in his old age, TWO EYED JACK was still good on his legs. It's this type of soundness and disposition that established the foundation of the Quarter Horse breed and made TWO EYED JACK, his get, and their owners #1 on AQHA lists.

Welcome to the Pitzer Ranch 2024 Fall Sale!

We are proud to bring you the 79th year of Pitzer Ranch horses! The 2024 HP brand-ed weanling colts are a testament to what this program has accomplished over the last seven decades. They have some of the best bloodlines, structure, and eligibility for lucrative incentives that you will find anywhere in the country. We pride ourselves on offering a diverse but quality set of horses that will fit many different disciplines and levels of riders.

Good horses are in still in high demand and our HP Ranch Horse Invitational is set to pay out over \$130,000! With an increase in the number of sires and the sire payment amount, we are set to award the highest payout in the 14 years of competition! Bring your friends and join us Wednesday, Sept. 4th for a day filled with top notch equine athletes and riders! The HPI is ALWAYS a fun day of competition, and it takes a good horse to get it done!

The Horse Industry is still on the uptrend with breeders expanding their herds and looking for the next great stallion or mare. The amount of money available in new incentives and futurities is more now than ever. All levels of riders can compete for real money, and those riders need good horses. Pitzer Ranch Sired horses won over \$300,000 at the 2023 Riata Buckle Roping! Now is the time to get yourself a horse that is eligible for those incentives! From weanlings to finished rope horses. We have several available in this sale! The roping, rodeo and barrel events are expanding, and now is the time to get yourself a horse and compete.

We had a tremendous breeding season here at the Ranch. Our stallions had their books as full as they've had, and we couldn't be happier with how they handled it. The breeding game is changing with the quality of genetics and performance data tracking, not to mention the technological, reproductive advancements. The coming years will be fun to be a part of. There is a lot of value in owning good genetics, and this sale is chalked full of horses with just that!

Thank you for your interest and for trusting the Pitzer Ranch since 1945! We are the SOURCE for you next WINNER!

-The Pitzer Ranch Crew

NOTES: "Pick" is very attractive! We purchased right off of the 6666's ranch. He was used the at the Road to the Horse in 2023. Since then we have used him outside gathering and branding. We have lightly started him in the heading. He will make an outstanding head horse. He has all of the size, the looks and ability that anyone could ask for when looking for a head horse prospect. He is broke, will turn around and drag his butt, stays gentle with ample time off and takes everything very well in stride. Don't miss out on this highly desirable gelding. QData-CB 7/2024

What's in the Brand?

Each year the Pitzer Ranch crew brands the entire foal crop. Every foal is registered with the American Quarter Horse Association and each one is given a special set of numbers indicating their sire and dam, along with the lazy HP Ranch brand.

Why do we brand?

With over 350 broodmares in production it is important that each horse is easily identifiable in pasture or in a sorting alley. The set of numbers that each horse carries serves as a way to communicate, record and operate a broodmare band of it's size. The numbers also help to "pair" the colts with their mothers. One of the main reasons identification at Pitzer Ranch is so important to us.

When do we brand?

The weanlings are branded each year at the end of June. We lead them, vaccinate, worm, clip their manes and take sale photos all in the same day. Roaching the manes gives the colts a cleaner look and showcases their neck. It's always a labor intensive day, but of course well worth it in the end!

The lazy HP on the left thigh is an easily recognizable logo for Pitzer Ranch customers and followers. Only horses bred and raised at the Pitzer Ranch receive it. We are proud of our heritage and the HP of course, pays tribute to our founder, Howard Pitzer. Whether it's at horse shows, sales or a competition, the set of numbers and the lazy HP can be spotted from afar and many a conversation or breeding decision have been made based off the ID system. The "mare brand" gives the great mares here the recognition and identity they deserve. Many people follow certain mares each year because they have a half sibling or just enjoy that family. By branding our herd we make keeping track of this easier for our customers!

What do the numbers stand for?

Most weanlings are branded with their dam's permanent number on the left buttock and the sire's single digit number on the right buttock. On occasion, a filly is only given a set of numbers on her right buttock. In this instance she is a "keeper" and the number assigned will always be her "permanent number". She will stay on the ranch to become a show horse or a broodmare. Her sire's number will always be at the top of the brand sequence followed by numbers that pertain to her dam's number in some way.

Who is behind the number in 2024?

- 0 - Showjoe Jack, Gold Money Joe
- 1 - Oh Hell Yes, Metallic Casanova
- 2 - Favorable Intentions
- 3 - TBA
- 4 - Dukixote, Two Song Edie
- 5 - Mia Browbeater
- 6 - Duke Got Jack, Diamonds Starbuck
